

bodega y viñedos **martín berdugo**

mb

Sophisticated. A great signature wine, the fruit of our desire to innovate and put some life back into wine tasting. Conceived to surprise. The grapes for this wine are chosen from the best areas of the vineyard, and using the most modern cryomaceration pre-fermentation techniques.

Aromatically complex, silky and elegant, a hint of fruit compote, with sweet mature tannins and a balsamic and mineral note. Numbered, limited production.
